

Mortgage Office

Release Notes

December 29, 2011

General

Custom Fields

Five additional custom Yes/No fields have been added in both the Processing and Servicing packages. (Maintenance > Processing > Custom Field Labels) (Maintenance > Servicing > Custom Field Labels)

Processing

Previous Employers

A continuation sheet will print with the 1003 loan application if more than two previous employers are entered in Section IV – Employment Information. (New 1003 Loan App) (Processing > Loan Database > Modify 1003 Application)

Servicing

Collection 1st Notices

A new option, **1st Notices**, has been added in Maintenance which allows the operator to modify the verbiage on the 1st Notice. (Maintenance > Servicing > Standard Fields > 1st Notices)

Forms

There are no forms requiring updating at this time.
